### **Join a unique MOOC on “The Three Rs and Animal Use in Science” on EUN Academy!**

The European Union is committed to Reducing, Refining and, in the near future, completely Replacing the use of animals in science – the principles of 3Rs. We need young scientists and critical minds to help us achieve that goal! Join our new MOOC and face a multidisciplinary challenge. Address numerous 21st century skills in your students, such as critical thinking, science literacy skills and creative thinking, by tackling animal use in science in the classroom. Register now!

# Online Open Course for Teachers

## The Three Rs and Animal Use in Science
